BODYCRAFT

EXP SERIES

LAT PULLDOWN/MID ROW

Experience the perfect fusion of commercial-grade quality and versatility with the BODYCRAFT EXP Series Lat Pulldown/Mid Row machine. This exceptional equipment combines dual-function lat and mid-row exercises, ensuring a comprehensive workout. Designed with an oversized bench and adjustable thigh hold down pads, the EXP Series Lat/Mid Row delivers exceptional stability and support, accommodating users of all sizes with utmost comfort.

The tall height allows for a full range of motion,
enabling everyone to get in complete reps.

Adjustable thigh hold down pads ensure stable,
comfortable workouts with firm support.

Durable rubber-coated footrests for
reliable stability and foothold.

Spacious ergonomic bench for
optimal performance.
