BODYCRAFT

EXP SERIES

LEG PRESS/CALF RAISE

Sculpt, shape, and strengthen your leg muscles, including quadriceps, hamstrings, glutes, and calves, with the BODYCRAFT EXP Series Seated Leg Press/Calf Raise. This exceptional machine is designed to target and tone your lower body effectively. The heavy-duty 2" hard chrome seat rails ensure a smooth and precise motion, allowing for a seamless workout experience.

200 lb steel weight stack
with 1:2 ratio provides 400 lbs
of weight resistance

Customize comfort with the adjustable 5-position
seat carriage. Find your ideal seating position
for tailored exercise comfort.

Ensure proper ankle and knee alignment
with the specialized convex footplate.
Designed for neutral positioning, it
minimizes joint strain, enhances safety,
and improves exercise effectiveness.

Experience seamless motion with
2" rollers on 2" hard chrome seat
rails. This pairing guarantees fluid,
consistent movement for an
enhanced exercise session.
