XT185 TREADMILL

The XT185 combines eye-catching aesthetics with the features you want in a quality home treadmill. With a bright 7.5" blue backlit LCD display, a wide variety of preset and customizable programs, and convenient handlebar pulse sensors, you have everything you need within view and reach. Our reliable PowerMax Motor is backed by a lifetime warranty while the 20" x 55" running surface with optional extended handrails can give those with a need for added support the security and confidence they need. The convenient folding-frame design features built-in Lift Assist and Slow Deploy while the transport wheels make moving and storage a breeze.

FEATURES

- Sleek charcoal metallic steel frame and 7.5" bright blue backlit LCD
- Direct access speed & incline buttons to save time
- Hand pulse sensors for monitoring your heart rate
- Large 20" x 55" running surface with Lift Assist folding for easy storage
- Reliable 3.0HP PowerMax Motor protected by lifetime warranty
