# XT685ENT TREADMILL

When you're looking for a workhorse that can go with you for miles, look no further than the newly designed XT685ENT. Beyond the sleek charcoal metallic steel frame, spacious 22" x 60" running surface, and reliable 4.0 HP PowerMax™ drive motor, elevate your training experience with the performance-oriented 15.6" ClearView+™ touchscreen. Enjoy thousands of miles of uninterrupted use with the 2-ply belt and durable waxed deck. With a top speed of 12 MPH and 15 levels of incline, as well as a full range of direct access speed and incline keys on the console, interval training is easier with just the press of a button. Create your own custom program or choose from a variety of preset options, no subscription required. Plus, our new rocker-style speed and incline shifters are conveniently located on the handlebars for fast changes on the go. Built-in Bluetooth FTMS lets you connect to your favorite third-party apps, your Bluetooth headphones, or a wireless heart rate monitor (Bluetooth or 5KHz, sold separately).
