

Keeping South Florida Healthy &
Fit for over 25 Years!

Meet the TRUE Performance 1000 Treadmill

TRUE Performance 1000 Treadmill

Affordable Quality. Dependable Performance

The **TRUE Performance 1000 Treadmill** offers affordable quality without skimping on premium technology and engineering for your home fitness needs.

Your Fitness Experience

Constructed with commercial-grade materials and premium components, so each piece of equipment feels and functions like a commercial machine.

Your Body Will Thank You

TRUE's Soft System® offers a bio-mechanically correct running surface. Neoprene shock absorbers in the front of the deck cushion each foot strike, while the back of the deck provides a firmer sensation allowing for a stronger push off with every step.

Maximize Your Workouts TRUE HRC allows you to enter your target heart rate for maximum results. Our one touch TRUE HRC Heart Rate Cruise Control™ allows you to use HR at anytime in your workout and will adjust speed and incline automatically once you hit your target HR.
